Dear Sir:

In response to the Official Action dated May 23, 2002, designated as a Quayle Action noting that the application is in condition for allowance and closing prosecution on the merits therein, applicant submits as follows.

The Examiner requires that applicant submit the original patent.

Applicant provides herewith the original deed for U.S. Patent 5,937,095.

Additionally, the Examiner requires that the amended figures include the word "amended" as required by 37 CFR 1.173(b)(3).

Enclosed herewith applicant provides formal drawings incorporating the drawing

Serial No. 09/925,423

changes submitted for the Examiner's Approval on August 10, 2001, and further including the word "AMENDED" as required.

More specifically, Substitute Fig. 4 includes the typographical correction replacing "FRAM n+1" by -FRAME n+1--, and further including the designation "AMENDED".

Substitute Fig. 6 includes the added reference numerals 11, 12 and 13, and associated arrows.

Finally, Substitute Fig. 7 interchanges the respective "Yes" and "No" results of the third and fourth decision blocks therein.

Having thus attended to the only outstanding formal matters identified in the Quayle Action, it is respectfully submitted that the application is in condition for allowance and an early indication of the same is thus in order.

The Examiner is requested to contact the undersigned by telephone if any further issues arise with respect to the application.

Respectfully submitted,
Clark & Brody
